Sir,

I have the honor to submit the accompanying copy of the Chickballapur Sub-Division officer's letter No=340 dated the 11th Instant with original enclosures as per margin containing proposals for the extension of the town of Chick-ballapur and to request that under the circumstances therein represented, an advance of Rupees 7000 may be granted by Government for the purpose.

2 The lands to be acquired for the extension will be divided into convenient building sites and sold by public auction to intending builders, a measure by which the advance made by Government may well be recouped. Order thereon

It is observed that the annual receipts of the Chickballapur Municipality amount to Rs 4750 and the permanent charges exclusive of the cost of Public works, to

to Rs 3904. Supposing that about Rs 1000 will be required for the maintenance of roads and drains, the annual ~~cost~~ expenditure exceeds the receipts. In this state of its finances, it is not clear how the Municipality can pay annually Rs 500 towards the repayment of the loan with interest at 4 per cent, which amounts on an average to Rs 150 per annum spread over a period of 4 years. The Dy Coms is requested to explain the matter
